For deliveries outside of UK mainland please contact Customer Services.

NON- STANDARD COLOURS (Polyester Powder Coated Gutter & Rainwater Pipe systems)

Any colour ordered that is not one of our standard colours, as advertised in our current brochure, is subject to a £60.00 set up charge. This charge is applied each time we run the colour.

Extra powder costs will also apply for purchasing the powder, depending on the colour involved and the order value.

Please check at order placement.

RETURNS POLICY

Returns of polyester powder coated product will be for Heritage Black only, with prior agreement and at the discretion of Marley Alutec. Any agreed returns will incur a 50% re-stocking charge which covers the handling, checking and administration of the returned items.

We are unable to accept the return of any Polyester Powder Coated or Soffit, Fascia & Coping product.
